# local is not far away

## Our suppliers

Buying local and keeping the planet and animals in mind is important to Wadapartja. We think pushing back the distance your food comes from can make a big effort in this. Simply because we feel it's a shame to drive unnecessary distances for your food.

### Koffiestation

Douwe and Emiel buy sustainable green coffee beans and roast their specialty coffees here in Groningen. They deliver us coffee beans by bike each week in reusable cans. No matter if you drink your coffee as an espresso, americano or with (oat)milk: we always make them with a double shot of espresso. Even our filter coffee is made with self-ground quality coffee beans.

### City baker Luuk

Organic grain from Groningen goes through Jan the miller from Kropswolde, to city baker Luuk. Together with Luuk we develop our bread, which is how we got our sourdough bread with wheat, wholegrain, rye and a boil of mixed seeds. And our whole grain bread is 100% whole grain!

### Butcher Boersma

Gronings weiderund en Porc Locale uit de regio worden door slagerij Boersma geleverd. Zo is er een korte lijn waar wij op kunnen vertrouwen. Jan maakt voor ons Groningse Chorizo en maakt de runderburgers volgens ons recept. De pastрами maken we helemaal zelf.

### Store

In our store on Zuiderdiep we sell products that have been made sustainably. We also have some local suppliers, like the postcards from Grafiquelien from Groningen.

### Boer & chef

Growers and farmers from the north are connected with us through Boer (farmer) & Chef. It gives us the opportunity to coordinate the sowing plan or the production process. That way we know exactly where our dairy products, potatoes, tomatoes and carrots come from.

### Dairy

Butter, cheese, eggs and more. We try to buy this more and more locally. This resulted in organic Greek yoghurt and butter from the Drentse Aa. We also use farmcheese from the Bosma family from Rutten, organic slices of cheese from Rouveen and Bleu de Wolvega. Besides that we've got organic milk and local white eggs from Drachtster Compagnie.

### City breweries

We've always got some beers from family business Martinus from Groningen on our menu. Besides that it's nice to now that city baker Luuk uses brewer's grain, a waste product of brewing beer, of Martinus in our wholegrain bread. We also serve Baxbier and Eggen from Groningen.

### Bio-dynamic nursery De Eemstuijn

Close to the Wadden Sea, Liz and Jouke make the most amazing vegetables with powerful flavors. We get a great mix with lettuce varieties in which you can taste the authentic bitter, as it should be. We also regularly use forgotten vegetables from Uithuizermeeden

### 't Ailand

Such a great company in Lauwersoog, which supplies us with everything the sea has to offer. They buy from fishermen who do not dump their waste in the sea and fish locally. You can talk for hours with Barbara; for example about the contribution of shellfish to the protein transition.

And if we're close to the Wadden Sea anyways, did you know our organic cranberries come from the island of Terschelling?
